

# GREATER VALLEY HEALTH CENTER

## **PATIENT RESPONSIBILITIES**

You also have responsibilities that are an equally important part of providing quality health care.

### **The Greater Valley Health Center asks that you....**

Follow clinic rules and regulations affecting patient care and conduct.

Provide, to the best of your ability, a complete and accurate medical history.

Make it known whether you clearly comprehend a contemplated course of action and the things you are expected to do.

Be considerate of the rights of other patients and clinic personnel and the treatment of clinic property.

Provide the clinic with accurate and timely information concerning your income and for meeting your financial responsibilities to the best of your ability.
